FROM THE SNARK'S **DESK**

First, I want to congratulate and thank the clubs that made their goal of at least a 10% increase this past year. Those of you who didn't should take a closer look at the programs you held this year and try to figure out why you are not attracting more to your meetings. Is the problem programs, nights that conflict with other events, cost, or lack of communication? I personally have found in my travels this year, lack of communication was a big factor in poor turnouts.

By lack of communication, I mean for example notices going out too late so that other plans have already been made, phone committees not set up so that members could not be reminded — some need that extra tug. And in some cases, dues notices not going out early enough in the year.

It is because of late billing by clubs that we have a hard time collecting for the year. This is why HHI brought about the mailing of the first dues notice only to each and every member. This notice is to be sent in early August and will include both local and HHI dues. Payment is to be sent to your local club. HHI does not want to take away the collecting of dues form the local club — only to ensure that each member receives a dues notice. I am sure this will not only benefit HHI but also the local

I want to also congratulate my own club, Vancouver #48. At the time of this writing they have the greatest increase in numbers of any club in Hoo-Hoo. They are an example of what good programing and hard work will do.

I'm very pleased and proud to see what they have done during my year as Snark. The results are a good example of what lots of enthusiasm and hard work can accomplish.

I have tried to visit as many clubs as possible as Snark. To date I have met with 72 clubs (some twice) and will be calling on 9 more by early July. I have travelled over 62,000 miles through the USA, Canada, Australia and New Zealand. If I haven't

visited your club, it has been because of one or two reasons. First, I was not invited or time was just not available.

I've had the opportunity this year of being able to meet so many new people in places I had never before been too. I want to thank each and everyone of you for your hospitality. Being Snark of this great fraternal organization is the highest honour that can be bestowed upon a member. Anyone of you who has the desire and the opportunity to become Snark of the Universe should not hesitate in trying for the position. The experience and the people you meet in various phases of this industry is something that you

I'm very pleased with what I have seen and the results from most of the clubs but am disappointed in other clubs that seem to be having some difficulties. I feel disappointed and somewhat let down because I did not hear from the club or from the S9 that help is needed. Unless you communicate, how can I help? We take on these responsibilities to try to better Hoo-Hoo, but no one can do it alone.

Shortly we will be meeting in Seattle for our 95th Convention and you will be installing a new Snark of the Universe. I will be happy to step aside at that time but will be ready to help in anyway the new Snark wants me too.

If you haven't sent in your registration for the convention, do so now. Let's make this the biggest and best convention

Also, if you have never seen the Redwoods, or would like to see them again, get your registration in also for that tour. It's going to be six days of mill tours, club visits and good old

David Jones has done an excellent job of organizing this tour. Don't miss out on it.

I would like to thank all the Directors and Officers and Rameses of HHI for making this a year I'll never forget!

See you in Seattle. Health, Happiness and Long Life,

Jack Jacobson - 73133

A very busy and exciting year is coming quickly to an end.

This is the last edition of Log and Tally, and the International

Convention and election of new officers is only weeks away. The

International Board will be weighing up results of their efforts for

the year and formulating the plans for the future. Delegates from

throughout Hoo-Hoo Land will be able to contribute first hand at

the Seattle Convention in an atmosphere of renewed friendship

predecessors and his crew has produced the revised "Club

Officers Manual" - prepared changes and additions to the

invoicing. Besides the time put into these matters, all board

Outgoing boards should assess their results in both success and

failures and come up with constructive suggestions to the new

board. The new board members this year, have the advantage of

the new manuals to help determine the individual board

members duties and objectives right from the start of the year.

Formation of committees and instigating club projects gets club

members contributing together, for the benefit of the club and its

value to the Lumber Industry. Club programs should allow for

fellowship among members in both the fraternal fun meetings

and those involving industry promotions and club projects.

During my visit I have been amazed at the club fellowship that

has developed in achieving success in their planned promotions

and projects. The H.H.I. Convention is a great source of com-

munication of these desirable club activities, for the delegates to

Snark Jack has carried on the good work, established by his

"HHI Operators Manual" and the new system of membership The past couple of months have been fairly quiet in this neck members have worked at restoring membership to an increasing of the woods. Clubs have been meeting regularly and summer is always a time of club sporting activities, golf, fishing, etc.

> We regret to report that our J-9 mini-conference in Fort Lauderdale was abruptly cancelled due to lack of support and compliance with deadlines. It is disappointing, as this would have been our 3rd mini, the previous two in Cocoa Beach and Jacksonville were a great success. We learn by our mistakes, and we won't make this one twice.

> On the subject of mini-conferences, I attended J-3's mini in Klamath Falls and I would like to extend my congratulations to Bill Patterson and his crew for a well run, well attended conference. Their success reflected the planning and support that made it possible.

Snark Jack Jacobson showed me around Vancouver and the projects undertaken by the Vancouver Club. Those of you who have attended H.H.I. conventions have probably heard of the Evans Lake Project. It is located about 60 miles north of Vancouver (Squamish) and is a fully equipped camp for children. The Vancouver Hoo-Hoo Club provided the buildings for them. Children are taught about the forest environment, it's hospitality and true Hoo-Hoo fraternalism. It's been a pleasure use, value, management and living in the outdoors.

I understand that "Project Learning Tree", of which you will hear more about later, has been used here for some time.

I ask all clubs to seriously consider sponsoring delegates to the Seattle Convention, if economically possible. Don't let a few from Ho Mun 87001 the past president of the inactive Singapore attendees vote for the missing majority — you may not like the

We all should constantly remind ourselves of the principles of Hoo-Hoo and its Code of Ethics. The 5th point tells us that we must "be considerate of the other fellow and charitable in appraising his efforts, even if they sometimes conflict with your own." Paragraph 2 of the Code of Ethics refers to the spirit of the Golden Rule. Perhaps the best reference to the gentlemenly conduct of business is in the last part of Point 1 which generally states "understand each others problems and misunderstandings will seldom occur". What better direction could there be!

found that serving great Snarks and their officers has been a very

interesting time for me. I fondly think of the fine people I have

met, the pleasure of working with them and the time and effort

that went into it all. There have been some good accomplish-

We are an international organization and therefore we may have problems that are unique to certain areas of our constituency. Those difficulties that are important to some may not seem so to others. But, if something effects our brother in one part of the world, then it has an effect on all of us. There is no room in Hoo-Hoo for narrow mindedness.

We must continue to nurture our fraternity to make it run more smoothly, to increase and retain membership and to maintain cohesiveness among the great countries that make up Hoo-Hoo Land. We must think how we can better serve our industry and how we can take our cause to new areas and, perhaps, other countries. We must think of gaining equality among all Jurisdictions so that we share equal in the expense and the reward of furthering our cause at the international level, as can best be achieved under our different national governments. We must think of voting representation at board meetings so that there are not any unfair advantages. We are not a political group trying to outdo the "other party." We are, or should be, all one for the common good. That is the way we should be directing our efforts and energies.

It becomes the charge of the new officers and directors to continue the efforts and direction that those talented, tall men of timber have lain down before them.

If any of you are ever in the Milwaukee area when the Ben Springer Club holds their Annual "Torsk" Dinner, you should make it a point to attend. This year this great event took place on April 8th. The "Singing Irishman" Ed Foley has been the ramrod on this function for many years and once again, with the support of President Jeff Cain and Sec/Treas. Russ Kilps, they did a superlative job. The food was plentiful, as always, and as always, the meal was topped off with an ample supply of Aquavit — Danish Firewater.

I had to be in Saginaw, Michigan the next evening for the Saginaw Valley Club concat and several stops at rest areas along the way were required to put out the internal fire which was started the night before as a result of the excessive intake of the "White Lighting."

Snark Jack Jacobson favored J-II with a sweep through our area of the country in April.

Arrangements were made to meet Jack in Rochester, New York on the evening of April 22nd and Bob Van Every, Rameses 73, promised that he and a friend would fly me to Rochester in his plane for the meeting. All went well on the flight over and we met Jack at the appointed time.

Old reliable, Fred Meyer, took care of all the details for the evening meeting and was responsible for bringing out such stalwarts as Fred Stahl from his club, "Buck" Lischer from the Buffalo Club and Richard Hannafan who joined the group from the Syracuse Club. evening and all had a great time. Who says Hoo-Hoo is on the wane in Western New York State!

Flying back from Rochester to Detroit the next morning we ran into some bumpy weather as a result of thunder storms in the area but soon we were on top of the clouds that looked like a bed of whipped cream below us.

That was the fun part!

As we approached our destination the tower asked us to fly at a lower altitude, which put us smack in the middle of those innocent-looking clouds. We flew for 45 minutes on instruments through clouds that were so thick you could not see beyond the wingtips. Then came the instrument landing! It was a new experience for me in a plane where you could see the instrument panel and all the dials seemed to be turning counterclockwise.

Those of you who are accustomed to flying small planes may be used to the excitement of an instrument landing — but I'm not! Sitting there watching the altimeter unwind till it reads less than 500 feet before you can see the ground below made my palms sweat.

The strobe lights flashing down the center of the runway like an arrow in flight was a welcome sight and the gentle touch of the wheels to the ground un-did a few of the knots in the pit of my stomach. Who said these S-9 jobs are easy?

That evening our Snark joined a goodly group of Detroit club members and gave all present a very positive outlook for the future of Hoo-Hoo. Jack was able to present the new members from our Concat in February their certificates and pins.

The next morning we motored to the "Big Windy" where Ken Hallgren and Harry Henningsen had arranged for a combined meeting between the Chicago, Northern Illinois and Ben Springer Clubs. Among those present were Mike Ely, President of the Chicago Club, Harold Smart and Ed Foley of the Ben Springer Club and Fred Diesel from Northern Illinois #139. This was a great effort on the part of all three clubs and our Snark, once again, had the opportunity to spread some good words about Hoo-Hoo. Doesn't he always?

It seems to me we are now in the summer doldrums so far as club activities are concerned. The serious side of Hoo Hoo has given way to golf outings, picnics, etc.

It won't be long now till we'll be together again — this time in Seattle.

Until then, Health, Happiness and Long Life,

TONY HOBSON 85812

A very busy period in Jurisdiction IV at the moment with clubs holding annual general meetings and a lot of clubs conducting concatenations before their year ends. Again this year our positive growth continues, over 140 new members concatenated as I write this report, and still more to come. I mentioned in a recent letter to Gordon Graham, Supreme Nine JII, that while membership increase is important to us in JIV, it is not all consuming. We believe that quality club programmes and a professional approach to management is of equal, or greater importance, and it appears that if you get that part right, numbers increase as a matter of course. However, having said that, I do not hide the pride I have in our fellows for giving us well in excess of the ten percent sought by Snark Jack. Plus, it doesn't do the membership wager Bob Frost and I have with Jack any harm either.

A lot of excitement down here over the upcoming Seattle Convention. Quite a few members who do business on the West Coast are making the trip, along with others simply taking the opportunity to get up to Seattle to support Dick Campbell on the final leg of his quest to become Snark. The largest contingent of New Zealanders that I can recall attending an Internatinal Convention, seven or eight at this stage, all cock-a-hoop over their success in the inaugural World Rugby Cup, and out to tame the rest of the world. Plus eight or nine Australian makes a very tidy travel group. And who knows, maybe they can induce a few U.S. or Canadian members to make the trip down to Adelaide for the Silver Anniversary celebrations of our oldest club in October. For any considering the trip, I guarantee you a time you will not soon forget! Adelaide is among our prettiest cities and is magnificent in the spring!

While on the subject of conventions, our tremendous growth over the past few years, not only in membership numbers, but club numbers as well, has given us a giant size headache with the club president report section of our Jurisdiction IV conventions. While we do not wish to deny delegates the opportunity of hearing each of our presidents give his report, and appreciating its value in our overall success, the time constraint imposed at conventions is making it difficult to continue with our present form. Plus, we still have other new clubs at the planning stage that will make it even harder. No doubt there is a satisfactory answer, I guess it is only a matter of searching it out.

(Continued on Next Page)

(Continued from Page 4)

By the time this publication is printed I will be visiting clubs in area four of our Jurisdiction. We have four clubs up there and they are our most widely spread, all on the east coast but kilometres between the most southern and the most northern. Margaret is travelling with me on this trip, and we will be visiting two of our youngest clubs. Far North Queensland Club 261, chartered less than two years ago, and Townsville Club 265 chartered by Snark Jack less than twelve months ago. While I have travelled to Queensland more times than I care to remember, I am embarrassed to say that I have not previously made the effort to get all the way up to the Barrie Reef, and am delighted at the opportunity to do so as President of Jursidiction IV.

Fraternally,

Tony Hobson 85812 Supreme Nine JIV I believe the greatest rewards anyone achieves in Hoo-Hoo is the friends he makes when he gets involved. I feel very fortunate that Maggi and I have met so many new friends since joining Hoo-Hoo. We look forward to the new friends we will meet in the future as we will also want to be involved. Our motto of health, happiness, and long life is great, but I think it even more meaningful if friendship could be included.

I hope your club wins the Wood Promotion trophy if you have entered this year. If not, I guarantee that you will win new friends if you come to the Seattle Convention and even more so if you come on the bus to our pilgrimage to Hoo-Hoo Redwood Grove in California.

Jurisdiction VIII

This is the last issue of the Log & Tally I will be reporting in as Supreme 9 for Jurisdiction V. I would like to take this opportunity to thank everyone for their support, especially Toronto Club #53. Being Supreme Nine these last three years has been very special. It has been a lot of time, work and travel, but most rewarding. I wish all Hoo-Hoo members could have the experience. But participation in some capacity of your local club executive is the next best thing.

It was informative visiting the clubs in British Columbia and worth the 3000 mile trip. With Canada being such a vast country it is imperative that the Deputy Supreme Nine keeps in close touch with his Supreme Nine to insure a strong future of Jurisdiction V.

I am pleased that Jurisdiction V has attained its membership goal of 10% again this year. Hats off to the Vancouver Club for putting us over the top. I want to thank all the members who helped me get the Oktoberfest Club going in Kitchner and impress on everyone not just the executives to work together to make the club grow and be one of the best clubs as I predicted in Hoo-Hoo.

I hope I have given the support to the clubs that I visited and instilled the spirit and friendship of Hoo-Hoo.

From the simple beginning on a lumber pile in Gurdon, Hoo-Hoo has become very complex over the last century as have the other clubs and organizations of our nature. Only modern inventions and conveniences are available to make things easy, but because of the hectic society we have created it makes it a real challenge to keep strong and grow.

As of our May printout J-VIII is way down in percentage of paid members. We are at 97 percent and that is far below our 110 percent goal we are trying to reach. If any clubs have held concats or collected dues, make sure they are sent in. We have a lot of hard work ahead in the next few months before our international convention in Seattle.

I was in Omaha for the April 6th meeting with Club 124 at the Oak Creek Inn. With 13 members attending they held their election of officers for the coming 1987-88 year. Plans were made for upcoming events such as Ladies Nite and their June picnic and horseshoe event. Secretary Homer Hahn gave a report and also informed me they have sent in their \$1 per member for the 1992 convention fund.

On April 20th, Club 118 held a directors meeting at the Elks club making plans for our June 24th golfing and Snark's visit. Also several members gave their names to the club showing interest in the upcoming Seattle convention hoping they could attend

May 12 the Twin Cities Club 12 held their annual Fisherman's Stag at the VFW club in Hopkins, Minnesota. With about 109 members attending, they also held a concat taking in 10 new kittens. After a great steak dinner & cocktails they held their drawing for a fishing trip for two and Don Bleise (Sec/Treas.) was the lucky one. The speaker gave an interesting talk on how to use and tie fishing Rapolas.

Iowa Club 102 held their first golf outing on May 18th at Lake Panorama with about 45 golfers using a 4-man best ball. As everyone finished, the rains came so everyone went to "The

Port" for cocktails and a buffet dinner. Seven members from the Omaha Club also came as several other guests from around the area. Several candidates were signed up for a later concat so the day was complete after many prizes were given.

June 10th, Club 124 held their Club Picnic and Horseshoe day at the Ver Hay Farm with about 145 members and guests attending. First in the afternoon was golfing and finishing the day up with a steak fry after the kegs of beer ran out.

On June 23rd the Snark and his wife, Norma, and Al and Georgia Meier came into Sioux Falls for the start of one heck of a week. We started out with a cocktail and dinner at the Elks Club where good fellowship followed. June 24th we all attended Club 118 travelling golf outing at the Country Club in Dell Rapids, S.D. along with about one inch of heavy rain. Snark Jack (who is a great golfer) found out how to keep his head down with a Hook! About 45 members and guests were greeted with comments from the Snark and Al Meier, Chairman of the Board. Norm Ekeland was the lucky receiver of the TV which was raffled off

On June 25th, Marian and I took the Snark and Norma, Al and Georgia Meier to Omaha Club 124. After having a great tour of Millard Lumber, their president Dick Boleyu picked up the six of us at the motel and took us to "Mr. C's" for a wonderful evening and dinner. With 30 members and wives, Jack and Al gave short reports on HHI and also the upcoming Seattle convention. Everyone had a wonderful time.

June 26th we all went to Des Moines to Club 102 for a visit. There we toured Leachman Lumber and also enjoyed a visit with Mr. Roper Leachman 45226 who was a past S-9 back years ago. He has a world of Hoo-Hoo information to be recorded for history. We were their guests at a noon luncheon with the directors of the club and went over some of the problems all clubs

After leaving Des Moines we went to the Amana Colony for the rest of the day and evening and then Saturday morning. Saturday night we held a meeting in Iowa City, Iowa at the Highlander Inn with Cedar Rapids Hawkeye Club 193 and Mississippi Valley Club 131. We were their guests and I will say they sure took care of us. Hawkeye Club Secretary Frank Parks made most of the plans along with Mississippi member Bill Burress who is going to take the Mississippi club and try to gave a great informative report, also on the Seattle convention as International as we both need them to operate. which everyone enjoyed. We will be sure of hearing more from them in the future.

stopped at "The Little Brown Church" which everyone enjoyed. On up to Minneapolis Sunday where we stayed.

On Monday, June 29th, the Central Minnesota Club 91 held a Mississippi River Cruise for the men. 35 of us went aboard for a cash bar and fraternal visit after which eveyrone enjoyed a great steak at the Pirate's Cove. HHI officers thanked them and make clubs function. Everyone was most interested in how the HHI runs and also about the Seattle convention.

Jack and Al, girls, we had a wonderful week with you. Most enjoyable and we all learned from one another. You never know how BIG it is until you really get into international and Hoo-Hoo

Since my last report, I have attended the mid term 1987 Board of Directors meeting which was held at the International Headquarters in Gurdon, Arkansas. At the Board meeting a couple of important issues were voted upon which I feel will be greatly helpful to Hoo-Hoo International. The International dues were increased with a rider that the increased revenue be used to help support a stronger Deputy Supreme Nine program; a program which must become stronger if we are to see Hoo-Hoo International show a growth each year. Many Supreme Nine members have many states, many miles in their jurisdiction and are unable to attend the local club meeting at least once during the year, not being able to help the local club to grow and become a strong club. Some of the Supreme Nines do not have Deputy Supreme Nines to assit them due to financial reasons. With the dues increase, we will be able to subsidize part of the Deputy Supreme Nines expenses incurred at club visitations and therefore work towards making a stronger and better Hoo-Hoo Inter-

We also voted a new program where-by Hoo-Hoo International would bill every member of Hoo-Hoo in Canada and the U.S.A by September 1 their International as well as local dues. After the original statement has been sent, it is still the responsibility of the local clubs to be sure that they follow up right away to achieve 100% paid International as well as local dues. The dues statement will be sent out by the middle of August with a return address of the secretary/treasurer of your local club for the remittance to be sent to. We have had many clubs not send out dues statements at all or 5-6 months after they are due. We reactivate the members and friends. Our international officers are trying to assist the local clubs in collecting their dues as well

By the time that this is printed, some of the officers of the local clubs in Jurisdiction IX will have completed their tenure of After Iowa City, we toured up through Eastern Iowa and office and a new set of officers to start the new year. To those that are leaving, let me say "Thank you for your support and cooperation for my 1st year as Supreme Nine." I feel that you all have had quite a successful year and only hope that as you leave office, support your new officers and guide them along so that they also might have a banner year. I especially want to thank all the members of Jurisdiction IX for a more than successful trip reported on problems some clubs have and different things that made by the Snark of the Universe Jack Jacobson, 1st V.P. Dick Campbell and 2nd V.P. Phil Cocks visiting all the clubs in J-IX, presenting 6 concats with a total of 64 new kittens with over 373 members attending.

To the new officers that are coming into office, let me say "Welcome". We of Hoo-Hoo International are only a phone call away and would like to assist you in anyway that we might. I With the convention coming in Seattle, it should be a great am looking forward to working with you to help you make Hoo-

A NOTE FROM FRANK

As the Supreme Nine of Jurisdiction IX I would like to take this time to apologize for any inconvenience which we have incurred upon you due to the cancellation of J-IX Mini Conference which was to be hosted by the Miami Club #42.

As we all remember last July 5th business session at the mini, Miami expressed a desire to host our next mini and it was accepted by the members present. A format of the last two mini's were given to the Miami Club in July and requested that they start now and I would be available to assist them at any time.

Due to poor planning at that time, poor negotiating at such a late date and lack of support by the Miami Club's members, Miami saw fit to cancel the Conference.

I take the responsibility of this failure as I should have stepped in after the concat we had with the Snark, 1st V.P. and 2nd V.P., was such a failure, the Mini had to be trouble. It shall not happen again in JIX, let me assure you.

Looking forward to being with you all in September in Seattle and thank you for your support which you have given the members of JIX. Sorry for the unfortunate situation and inconveniences.

Yours in Hoo-Hoo,

This report is directed to the following groups in Jurisdiction 6.1) Deputy Supreme Nines, 2) Club Presidents, and 3) Club Secretaries: you all know that at the beginning of the 1986, 1987 Hoo Hoo year in September of 1986, the theme and efforts for the year was MEMBERSHIP. The goal was to increase J-6 membership by 10%. The outline and master plan was "NEW MEMBERS AND REINSTATEMENTS." Refer to my S-9 reports in the November 1986 and February 1987 issue of the Log & Tally. Again, we had great concats throughout the jurisdiction, over 100 new kittens, but as of 6/30/87 we were 95% of paid membership of total membership of 1,091 on 7/31/86. If we had retained all of our membership plus the 100 or so new members we would have met our goal.

I want the group to look hard at the following figures — this is our "REPORT CARD."

I want to congratulate Clubs #31, 39, 69, 110. Each of these clubs have taken the message to heart and are in a rebuilding program after a few disasterous years.

I am looking forward to seeing a large group of J-6 members at the International Convention in Seattle, Washington in September. Plan to make the trip — you will have a great time.

Health, happiness and long life.

As we near the end of another HOO-HOO year and approach the Seattle Convention it is my duty as S-9 for this area to tell you, my brothers in HOO-HOO, that our Jurisdiction has done a very inadequate job of advancing the cause of our order in this seciton of the country. My home club, being the prime example, with a substantial loss of membership. We can blame this on the economy and other things, but it is really our own fault as individuals, members, and officers. I hope that in the year to come that we can all do a better job for HOO-HOO.

The above comments should be directed to only those people in HOO-HOO that have not contributed to their utmost potential, as there are those of you who have done a very good job.

I would also like to show my support for Brother Bill Franks in Houston who is considering running for this position. Bill is a past president of Club #23 and is a very qualified individual. HEALTH, HAPPINESS, AND LONG LIFE.

ROGER WILLIAMS CLUB 51 Initiates 7 Kittens at April Concat on Battleship Massachusetts

The Roger Williams Hoo-Hoo Club of R.I. and Southwestern Massachusetts held its annual concat on April 15th on the Battleship Massachusetts in Fall River, Mass.

The club was honored to have as its special guest, Snark of the Universe Jack Jacobson of Vancouver, B.C. The club was also honored to have in attendance Granite State Pres. Joe Cade and Harry Folsom Club Pres. Tony Morgan.

Seven new members were initiated at the Concat which started at 5:59 p.m. when the kittens entered the "Gates to the Garden." After the concat the

members welcomed the new kittens and everyone enjoyed a delicious Smorgasbord banquet which included Seafood Newburg, Roast Sirloin of Beef, Baked ham, Fried Chicken, and much more.

Snark Jack Jacobson gave a brief address and encouraged members to be active participants in club activities. He stated how much he's enjoyed being a club member. Rober Williams Club President Warren Biss then presented the Snark with a Battleship Massachusetts Cribbage Board.

Dinner and speeches were followed by the usual "special" entertainment bringing to a close a wonderful evening for everyone.

OFFICERS ELECTED AT WASHINGTON, D.C. CLUB 99

Washington, D.C. Club 99 held its annual election of officers at its May meeting. Jack Gibala led the slate as president, followed by Joe Dempsey, vice president; Lee Roberts, secretary-treasurer.

Elected to the Board of Directors were Tom Carlson and Garth Clark.

At the July Board of Directors meeting Bill Stebbins, outgoing president, was appointed Vicegerent Snark for the 1987-88 Hoo-Hoo year. Delegates to the 1987 convention in Seattle are Joe Dempsey, Lee Roberts, and Jim Quinn. Charlie Eaton is alternate.

GRANITE STATE HOO HOO #107

The past three months have been very exciting for Granite State Hoo Hoo. In April we were honored by a visit from Snark Jack Jacobson. Jack was able to attend our Laconia meeting hosted by "Uncle Bill Veazey." Bill was able to secure David Hoyt, an agent from the Department of Justice in their drug enforcement division. All in attendance were enlightened by his talk on drug trafficking.

Our May meeting was held at Charles Di Prizio and Sons in Union, New Hampshire. This gave the membership an opportunity to see an Eastern Pine Sawmill in operation. The officers and directors would like to thank the Di Prizio's for opening their doors to us and also for making arrangements with the Cardinal Restaurant where an excellent meal was had by all.

Our June function is the meeting that all members look forward to the most. The year's annual clambake and golf outing was a huge success. The awards portion of the evening was highlighted by the presentation of a check for \$1,000 to Peter Di Prizio, recipient of the first Granite State Hoo Hoo Scholarship. This came as a complete surprise to both Peter and his Dad.

The club also bestowed the title of "Life Time Member" on Ray Desmarais. Ray has been a long time active and supportive member of our club.

The business portion of the meeting ended with the election of officers for Hoo Hoo year 87-88. The results were: President - Jim Fenn

1st Vice President - Wes Robichaud

2nd Vice President - Brad Morrow Secretary - Peter Steer

Treasurer - Rocky Furman

Board of Directors: Skip Bly, Brian Morrissey, Mike Goumas, Jerry Rivet

The group then dined on lobster, steamed clams, chicken and all the other fixin's a traditional New England Clambake has to offer. The club would like to extend its thanks to funciton co-ordinator Peter Steer and his assistant Don Johanson, for their efforts in making the event such a success.

HIGHLIGHTS FROM SPOKANE CLUB 16

The April 15 meeting in the private cheerful room at **Saks Restaurant** was one of the best.

Our speaker, Spokane County Parks Director Sam Angove, gave a most interesting and informative talk on his managing county property, and his views on the proper care of these lands, particularly on some timbered areas near the Idaho border. His views on the "pest use" of each area, rather than "multiple use" (trying to please everyone) struck a responsive chord with the members there. Norm Mikalson commended him, and Gene Zanck seemed reasonably satisifed with his answers to Gene's questions.

Sam has invited us to bring our wives and have a picnic and see how he is successfully logging a certain area near Idaho. Our Board will certainly discuss this and hopefully, we can accept this invitation — possible in September.

SPOKANE REPORTS ON MAY MEETING

On Thursday night, May 14, 1987, The Hoo-Hoo Club of Spokane #16 met at the warehouse of Cocking Hardwoods for its regular meeting. After a nice social hour, at which time the members enjoyed the fraternalism of Hoo-Hoo, and looked at the exotic hardwoods that member Duane Cocking sells, we sat down to a fine catered barbeque dinner served on the lumber truck bed of the Company.

After dinner, Duane Cocking told us about the history of his company, and answered questions. President Bill Lentes led the meeting, and thanked Duane for his hospitality, and was pleased to have a larger turn out of members than usual.

SPOKANE HOLDS WOODWORKING CONTEST

On Friday noon, May 22, members of Spokane Hoo-Hoo Club, and students and their wood working instructors, met in the lobby of the Farm Credit Banks, and enjoyed seeing the fine projects that the students had made and had had on display since May 15.

Then all went to the roof top cafeteria for a Hoo-Hoo Awards Luncheon.

After the luncheon with the students and their instructors being guests of Hoo-Hoo Club #16, Pres. Bill Lentes called the meeting to order, welcomed the guests, and gave them some information about Hoo-Hoo. The Nominating Committee report was read, and the Nominees were formally elected for next years officers and directors.

Then the students were given their prizes, Cash awards and a Certificate.

Thanks to Jim Price for getting some TV coverage. Thanks, also to Debie Siebert, in the Rotary office for an article in Rotary Hub, and for

"space" for **Dan Eagle** to print the students names on their certificates.

Thanks also, to the Farm Credit Services, Al Haslebacher, Vice. Pres. and Sarah Featherston for inviting us to have the projects displayed in their wonderful lobby. They have invited us back next year.

REPORT FROM **WILLAMETTE VALLEY NO. 33**

If you missed the concat on April 30, you missed a dilley. We had 56 for dinner. And, get this. We initiated 25 Kittens. 24 were ours and one from Green Peter. Boy, is that a local record. We really needed these folks.

The Snark Jack Jacobson from Vancouver, BC was down to visit Willamette Valley Club 33. This was a real treat. Jack is a great Snark and participated well in all the activities, including the concat. Thanks a lot, Jack. In addition, Chairman of the board, Al Meier was down from Tacoma. Al is almost an honorary Club 33 member. This sort of a friendly association is what Hoo-Hoo is all about. Then to top it off, Bill Patterson, the Juris III Supreme Nine, came up from Klamath Falls for

the evening. We really had the International Officers present. They pitched in and really helped out with our concat. Thanks a lot from all of us in Club 33.

A lot of credit is due Dennis Reinwald and Doug Gregg for helping get the 24 kittens into the club this year. No charge, but Bohemia, Inc. takes the prize. They contributed 2 renewals and 14 new members. A lot of thanks to new member Keith Wright and all the folks from Bohemia. You guys are all right. Now, come to the meetings!

Time is running down and the year fast coming to a close. We have had our ups and downs, but I think we are finishing very strong. Thanks to all for coming on the last part of the year.

Thanks again from the Prez,

Old Growth Western Red Cedar

The term "old growth" applies to the large, first growth, or virgin timber. Old growth is found in three principal areas: the Olympic Peninsula of Washington State, Vancouver Island, and the Coastal Region of British Columbia. The size and age of old growth trees make them an excellent source of clear lumber. The coloring of old growth is particularly attractive, with shades ranging from the almost pure white of the narrow sapwood to the dark reddish-brown of the heartwood.

Old growth Western Red Cedar offers many advantages as a construction material. Some of the most notable are:

· exceptional durability · great strength · in-place dimensional stability · light weight · outstanding visual quality • even-grained texture • resistance to splitting • easy workability

Loth Lumber specializes in producing building materials from the finest old growth Western Red Cedar available. Our concern for quality has earned us an enviable reputation for products such as clear bevel, kiln dried, and kiln dried tight knot

bevel siding. Call us today and see why our old growth Western Red Cedar is the clear

They did a fine job and really had the guys attention. The raffle was all McElfresh. Vic made enough to pay his dues re-instatement, and brother Leon did even better - Nice to have Vic back in the fold!

The spring "concat" in April was a good one, and (9) men of strong stomach & unlimited enthusiasm joined the ranks of the "great Hoo Hoo." New members are - Bob Kring, Phil Jensen, Rick Dryer, Greg Stout, John Brown, Louis Moreno, Charley Burch, Don Harper and Leonard Hansen - Welcome aboard, guys! Now come join the fun & fellowship - And a great way to start is to take the "Brass Rail Safari."

May was one busy month! First was the bus trip to the Brass Rail - Everyone behaved, had a great time, and came home with a belly-full of great basque type food and "dago-red." Lotsa stories, laughter and good Hoo Hoo fun -

And then the Juris III Mini-Convention. We had 46 out of towners & wives registered, plus 9 locals - Snark Jack Jacobsen, from Vancouver B.C. led the list of notables, with visiting "Brass" from Fla., Minn., Calif., Montana, a lot from WA. & several from OR. The Friday nite "Ice-Breaker" had 150-plus in attendance, all the delegates made the Sat. morning "brunch" and business meeting while the wives had a catered

breakfast at the old "Baldwin Hotel" -(understand it was great). Jeff Loth from North Cascade Club #230 was selected as the new Supreme 9 from Juris III, and N.W. Montana Club # 187 will host the 1988 Mini in Kalispel. In the afternoon it was "gulf" at Harbor Links for the "duffers" and Ted Paddock led a caravan of 35 or 40 souls to Crater Lake. They even got to see the Lake! Wound it all up with a gala affair at the Elks Sat. nite - Didn't hear bitch one!

Winema #216 has to be real pleased with the way Ken Dunn & committee set the whole thing up and

Special Kudos to Bill McLean for those "out of this world" name tags, and to Lowell Netzer as collector of the "wampum" - those two guys spent a lot of hours and effort on this "mini," so take a minute and thank them for a job well

PAULINA HOO-HOO **CLUB 220 REPORTS**

In May the Paulina Hoo-Hoo Club held their concat in Gilchrist, Oregon where visiting Snark Jack Jacobson honored us with his attendance and participation. All went very well and ten new kittens took the oath. The Gilchrist Pine Room staff were great hosts to our concat and a good time was had by all.

NORTH CASCADE HOO-HOO CLUB NO. 230 INC.

North Cascade Club #230 wrapped up their year with two great meetings of the general membership. Our April meeting was held at the Everett Golf & Country Club. This meeting was our annual Concat presided over by Bill Patterson, Supreme 9 for Jurisdiction III. We had 22 out of a possible 33 kittens brave the rigors of our Concat. The members of Club #230 must remember that when you sign up a new member it is your responsibility to

make sure they attend the Concat. One hundred and thirty-two had a great dinner and had a fine time at the expense of the new kittens. My thanks to Bruce Britch for doing an outstanding job organizing the Concat. For you eleven kittens who didn't make it, remember there is always next year.

Our May meeting was our annual Golf Tournament held at the Bellingham Golf & Country Club. The Roesler Team took home the Tom Dolan trophy. Congratulations to them for a great showing. Also to Duane Ord for doing a superb job of using all of his clubs, many

times. We had about 140 golfers and 141 for dinner. Mel Smeder and Bob Byers organized this event and did a great job. When we passed out the trophies Bob lost his voice, so that went very smoothly too. Our thanks to the companies and individuals who donated for the prizes. Also to the men who worked the hot dog and beer stands. Last, thanks to the guys who figured the handicaps.

The next week, ten members of #230 went to Klamath Falls for the Jurisdiction III mini-conference. We were on a mission that was to elect Jeff

At our June Board of Directors meeting we elected new club officers for next year. Those elected were Dick Vuori, treasurer, Paul Kriegel, vice-president and John Denby, president. These fellows are already planning next years meetings and programs, so watch for your 1987-88 roster for meeting dates and places.

Fritch, Steve Runge, Bert Powell, Butch Koykka and Herb York thanks to you also for your time and effort. The meetings you were responsible for all went very well. Special thanks to the three board members who are finishing their three year terms, Dick Vuori, Mel Smeder and Bob Byers.

Of course the man who runs our club is business manager Harry Stuchell. Harry keeps all of us on the straight and narrow.

To all the members of North Cascade #230, thank you for your great help and cooperation. Let's look forward to another good year.

The June Board meeting wrapped up my year as President of Club 230. I feel we had a pretty good year. Even though membership was about the same, attendance at the meetings was up. My thanks to you members who support your club by attending the meetings. If it weren't for you coming to the meetings we wouldn't have a club. The officers and the directors put on and arrange the meetings, but you fellows who attend make the club run. To my fellow officers John Denby and Paul Kriegel thanks for the time and effort you put in. You had everything under control which made my job very easy. To the directors Bruce

MEMORANDUM TO: Editor S.P.L.A.T. FROM: Norton Ladkin 73372 REFERENCE: Hoo-Hoo Origins in Jurisdiction IV

As requested by Brian Page, S.A. Vice Gerent, I am sending you this account of how Adelaide 212 came to be formed.

You will appreciate that my recollections are a bit faded after 25 years on matters of detail but they are quite clear on the main points.

Before I get down to details, let me sketch in the background our industry at the time.

In the years following World War II, many of the markets for wood and wood products were being invaded by man-made alternatives: wood joinery by aluminium: timber floors by concrete: external claddings by plastics, aluminum and brick, and steel framing was starting to make its run for the housing market.

This was a big worry to many in the industry; however, because of its divided nature, it was not possible for the industry to defend itself.

The same sort of thing was happening in North America and this sets the scene for the Australian interest in Hoo-Hoo — the fraternal order for lumbermen with the peculiar name!

There have always been close links between North American and Australian timber people and it was common for

J-IV IN GEORGIA — Ist International Vice President Dick Campbell (left) of Woy Woy with (l-r) 2nd International V.P. Phil Cocks, Rameses 76 Dick Wilson, Snark Jack Jacobson, and J-9, S-9 Frank Gray. The group is shown here at the home of Dick Wilson in Atlanta, Georgia admiring Dick's license plate.

Aussie importers and merchants to make regular visits to the lumber producing centres on the West Coast.

Part of the socialising during these visits involved nights-out as guests of Hoo-Hoo Clubs in Vancouver, Portland, Seattle, etc., and some even became members (I believe Gae Peulso of Sydney and Cyril Lloyd were inducted during the 1950s).

It is not hard to see why Hoo-Hoo was seen to be a positive influence by the visiting Australians: here was an organisation which set out specifically to avoid

the invidious effects of competing sectional interests.

Its membership was a cross-section of the forest products industry and it was able and willing to speak loudly and clearly in its defense.

Turning now to Adelaide and its beginnings.

In 1960 and 1961 a few like-minded people started to talk about the need for something like Hoo-Hoo in Australia; competitive materials were hammering our markets and there seemed little

(Continued on Next Page)

(Continued from Page 20)

prospect of the industry uniting to defend itself.

The small group who put it together initially came from people with radiata pine interests (Lindsay LeMessurier, Ken Paterson, Don Downs and yours truly) and the original thought was to start a club in Mount Gambier.

This was abandoned later in favour of Adelaide to allow a wider spread of interests to be represented — box makers, joinery and furniture manufacturers, timber merchants and importers, foresters and sawmillers.

Meetings were called to gauge what support we could expect, leading to a formal resolution to establish a club affiliated with Hoo-Hoo International, then headquartered in Milwaukie, Wisconsin.

We did not have a clue on how a Hoo-Hoo Club operated but on discovering that Alan Gardner, Seaboard's Australian representative, had been a member before going to South Africa some years before, we asked him to become our link with Hoo-Hoo International.

In his usual calm, diligent way, Al did all the spade work of negotiating the organizational details, through the good offices of the Canadian jurisdiction, which agreed to sponsor our application for affiliation.

When the documentation was in order and under a special authority from Hoo-Hoo International, the inaugural meeting was held in April 1962 and Al, with another visiting Canadian Harry O'Hagen, initiated 18 foundations members.

Adelaide 212 started off as a member of a Canadian jurisdiction with Al Gardner as the Australian Vice Gerent Snark: later, with the formation of other Australian clubs, our present Australian Jurisdiction IV was granted to us by Hoo-Hoo International. But that's another story.

Deliverately, this has been a broadbrush account and I have avoided singling out many who worked long and hard to overcome our teething problems.

However, I recommend you to read Bruce Mackie's December 1962 report. Bruce being the initial President of 212.

"I must remark on the growth of fraternal spirit which has already developed. Members with previously diverging interests have found a meeting ground of mutual trust and confidence, stemming from a new understanding of the other fellow's point of view. It can be seen at all manner of gathers, in and outside Hoo-Hoo, and it is a delight to me personally to observe this.

A Watch Dog Committee has been formed. This Committee has defined a number of its future activities, but a primary one can be said to be to seek out any facts detrimental to the competitors of timber and unfairly concealed it. It will fearlessly activate publications of such irrefutable facts as it can assemble. These activities will differ from existing trade promotional work in that the Committee will not directly concern itself with the positive claims of timber products, except where they stand in need of defence."

Already in a few short months, a pattern had emerged and if you scan the names of the officers and others listed in this report, you will recognise many who were to become stalwarts in the cause of the forest products industries.

As I have recapped these events, I recall very clearly that in 1962 the Australian industry had no national body to harness its resources to defend its markets.

Now in 1987, twenty-five years later — a quarter of a century — nothing much has changed. Steel framing is knocking very hard on our door and although we are soon to have National Association of Forest Industries, it will take time for it to become fully operative.

It will need all the support it can get and that surely includes Hoo-Hoo.

Yours fraternally, NORTON 73372

TO ALL JURISDICTION IV MEMBERS

A special invitation from the Foundation Club of Hoo-Hoo in Australia.

The Directors and Members of Adelaide Hoo-Hoo Club 212 extend a special invitation to every member of Hoo-Hoo in JIV, and Hoo-Hoo International, to attend the Seventeenth Annual Convention, to celebrate 25 years of Hoo-Hoo in Australia, which will be held at Glenelg between the 14th and 17th of October, 1987.

Glenelg is situated on the coast approximately 10 kilometres Southwest of the City, and approximately 6 kilometres South of the airport.

As we are the Grand Prix City of Australia, the timing of the Convention was finalised around this great event.

During this convention we have an extensive itinerary organized for Delegates and their Ladies. The Committee has left free an evening for Delegates and friends to visit the Adelaide Casino if so desired.

Hoping to meet you in the Festival City on October 1987.

MT. GAMBIER 214

Another introduction to Hoo-Hoo was had when over 20 Portland "polecats" including wives attended a trip on the Nelson Endeavour organised by 214. Over 60 people enjoyed this twlight cruise on the Glenelg River including picnic barbeque at Donovans, an 18 gallon "ferkin" and assorted small containers as well as music, dancing and cards (losers were Russell Hay and Geoff Doyle being cleaned up by Margot Hay and Sue Page).

Russell Hay, David Douglas and a couple of others arranged bus pickup at the outskirts of the City when attending the Nelson Endeavour Cruise. They did not want to park the cars in the centre of town. Came about 1 a.m., — DISASTER! — They were parked only a few yards from the Booze-Bus set up to catch people at a Mondo-Rock concert just down the road. The Gurdon has attended to the matter.

BEAT THIS FOR MEMBERSHIP!

Brian Page of Mount Gambier Club 214 is also area representative representing clubs 212, 214 and 266 on the Jurisdiction 4 board.

Concatenations at Adelaide, Portland which was the charter evening and Mt. Gambier have added 4, 12 and 11 kittens. Area membership last year was 99 with numbers to be more than 126 including some reinstatements but minimal losses. Can any other area boast a 25% increase or more?

HAVE A CONCAT — HAVE A GOOD ONE!

Small Australian club, Mt. Gambier 214, has been working on membership for some time. The local industry has been canvassed. Many have been invited to meetings to build up a strong Hoo-Hoo spirit and desire and image.

On May 11, a huge concat unfolded under the direction of Bob Klintberg ably assisted by Malcolm Morrison, Dave Douglas and Trevor "Show-Them-The-Splinter" Aston as cat tamers.

Boosting club numbers from about 45 were kittens Ross Carter, Barry Hickey, Stephen Miller, Bruce Hamilton, Keith Dixon, Kevin Davids, Graeme Miller, Lew Parsons, Rob Sealey, Colin Moreland and Kevin Boult. Also inducted was Lyall Saunders of the New Portland Club.

A top night on the tiles was had by all. Cat-howling continued till early. These new kittens proved much braver and dangerous after the concat than before and during! When told about Marvin, the famous American sceptic, these kittens wondered about progress and the health of the Order and old fashioned ideals like strength in numbers and the need for new blood. The Grey Ham has been answered.

SYDNEY 215

The Timber Industry Industrial Relations Seminar held at the pretigious Canterbury Race Course at the end of February interestingly saw an almost greater non-member guest list than Club 215 members, proving again the unique forum that Hoo-Hoo is.

The panel night was ably chaired by Sydney member Terry Warren with the three speakers representing the Timber Workers Union and the Timber Trade Industrial Association.

Sydney Club is gearing up for the 1988 JIV Convention to be held at the Manly Pacific Hotel.

BRISBANE 218

Fraternal greetings from Joh's original land! The Auckland JIV Convention may be over but the message lingers on especially to the likes of Vice-Gerent Worral McCarthy, Vice-President Gareth Lazarides, past Vice-Gerent, John Crooke, Ham Ahlo, several of our Canadian visitors and numerous Kiwis who are smitten down by German measles. Rumour has it that the rash was produced by an affinity with spotted gum.

The visit of the Snark Jack Jacobson and his Canadian entourage has been a highlight of the Club post conference activities. In particular a concat was held during the visit and was conducted amongst the timber stacks in one of our merchant member's warehouse. This venue and format was voted one of the best concats for many years and will be repeated.

Brisbane Club is proud to announce they have taken up Perth's challenge and at January's meeting endorsed a project to be fully committed to work in wood with the handicapped.

WELCOME BACK CANBERRA 232

Canberra Hoo-Hoo Club had been in recess for some many years (since 1979 in fact) but was reactivated on 9th April. The steering committee, headed by Bob Newman, attracted the attention of potential new members by arranging dinner meetings with speakers of the ilk of Dennins Mutton from N.A.F.I., John Howie of T.A.B.M.A., Mark Greenacre Pres. Timber Preserves and Liam Leightley O.I.C. Timber Preservation Qld. Forestry.

PERTH CLUB NO. 240 Hoo-Hoo Creative Youth Award

1985 will go down as the year Perth Hoo-Hoo club 240 came of age through the advent of the Hoo-Hoo Creative Youth Awards. The idea was sown in the early months of 1985 and a steering committee was formed comprising Chairman Fred Acott, Bill Nicholls and Ron Usher together with Barry Blakeman and John White representing the Education Department. They laid down the ground rules and so the Creative Youth Awards became a reality.

Original thoughts were directed at High School students however, they appeared to be well catered for in the manual arts area of wood working. This led the committee to focus their attention on the handicapped youths in our society which proved to be a master stroke as the project was greeted with great enthusiasm by representatives of the Education Dept. and teachers from the various special schools for handicapped children.

Students were given about three months to make and exhibit their crea-

tive works in timber which at the end of the period would be judged in their respective categories by a selected panel. Because of the variance in handicaps it was decided that exhibits would be judged under four categories to give all students an opportunity to win the major awards. These sections were (1) Open Section, (2) Individual assembly and finish section, (3) Individual/Teacher assisted section, (4) Group section. All students would receive a certificate of achievement in recognition of their efforts.

Week by week the project gained momentum and finally some 170 students participated. From the outset those involved were dedicated to the success of the project and long hours and late nights endured by the committee were amply rewarded on presentation night when approximately 450 people attended. The gathering comprised 120 students, their parents, Hoo-Hoo members and wives, teachers, Education Department personnel and guests.

Students were seated in the front rows in school groups and as called made their way to the dais where the Hon. Mr. R.J. Pearce, Minister for Education and Planning, individually presented them with their certificates. Everyone was a winner. They clapped and cheered one another with such gusto it made you feel proud to be a part of it. Trophies for the most outstanding exhibits were then presented and a change of plans by the judging committee saw two trophies allocated to each school. The lucky recipients will treasure them for the rest of their lives.

During the week leading up to presentation night, selected works by some of the students were exhibited in the foyer of the R & I Bank Barrack Street. It was a very impressive display and created a lot of public interest. His Excellence the Governor and Mrs. Reid attended the exhibition and expressed their support for the project.

Bill Nicholls, chairman of the judging panel commented that the standard of exhibits was so high that he believed many students without handicaps could not have produced their equal. President Ross Scott paid tribute to the organising committee whose efforts were nothing short of outstanding. He closed proceedings with a few well chosen words leaving the committee very smug and wandering how can we top this next year.

N.E.N.S.W. 241

Once again, the Clubs' of Brisbane 218 and N.E.N.S.W. 241 had a very successful joint meeting and social evening at the Tweed. Started with a very relaxed poolside meeting Saturday afternoon, and progressed to the social evening at Seagulls Club. The poolside meeting gave everyone the opportunity to get wet inside and out.

There was a very good roll-up, our Club was a little down on numbers and in particular two members, David Robards and Jeff Eggins, who both left Grafton for the Tweed, but disappeared somewhere. Jeff still hasn't been seen, and David had a story to tell.

As Jeff was the defending 'Cat Tales' belt holder, Ron Kamradt, on very short notice was asked to stand in, and of course lost the belt. However, it was not lost to a 218 Club member but to a Hoo-Hooette, Valentine Crooke. Both Tom Donaghue and Ron told stories suitable in mixed company, but Valentine didn't, this may have had something to do with the way the belt changed hands.

This joint week-end looks like being a definite fixed event on the calendar, so, members make sure you allow for it in your 1988 plans.

Our special Guest Speaker for the World Forestry Ladies Night was Con Lembke, Managing Director, A.F.I.J., who took considerable care and a lot of effort in compiling a visual presentation of Forest Management and some unique end uses of timber. Some of which, members saw for the first time. Con also outlined both his and A.F.I.J.'s commitment to increasing the use of timber, as detailed in his February editorial.

While Con was in the area, he also interviewed some local sawmillers on some of the recent developments and installations.

AUCKLAND 248

Thank you to all our guests at Convention Auckland '86. Your presence and obvious enjoyment was a vindication of our daring in hosting such a complex Conference in only our sixth year of existence. With only sixty members to call on a total commitment was required and the Club publicly thanks all those who worked so hard to make our guests feel welcome.

Those who took the coach trip to Rotorua saw the Putaruru Timber Indus-

try Museum and the tremendous progress already made in the joint project to restore the Minginui Steam Sawmill. Much work remains to be done however and its still a bit early to forecast a completion date.

A most enjoyable pre-Christmas function was held in the grounds of Soljans Estate Winery and proved an ideal relaxed for members and partners after the formalities of convention.

The February function was organised by Big Ed Weedon and proved a real winner. A coach trip out to the Kumeu plant of N.Z. Particle Board on a double decker bus from the Museum of Transport and Technology. The party was divided into small groups for an escorted tour of the Board Plant and liquid hospitality salved dusty throats immediately after. Back on the bus and into Huapai township for a Chinese banquet completed a really great night out There's no comment available on the return bus trip to the city as we can't find anyone who remembers anything after our hosts N.Z.P.B. announced that the dinner wine was to be their treat.

Numbers at recent gatherings have not been up to Club expectations and a survey is currently being planned to gather members views on the most suitable format for our regular gatherings. A positive response will help shape our future direction.

HOO-HOO WOOD SCULPTURE PRESENTED TO AUCKLAND CITY

To mark the occasion of the first JIV Hoo-Hoo convention to be held in Auckland, New Zealand, the host club 246, presented to the citizens of Auckland a wooden sculpture.

The Sculptor, Mr. Lynn Dunn of Titirangi, Auckland, attempted in the sculpture to represent symbolically the nature of the Hoo-Hoo club in its birth and subsequent relation of its members to both timber and the industry.

The sculpture was carved from the root structure and bole of a Tawa Tree, a New Zealand native. The faces of the founders of the Hoo-Hoo movement were carved amongst the interlocking root system depicting the close relationship the movement holds to the founders as well as the brotherhood that exists within the movement, as the members are drawn from the roots of the timber

(Continued from Page 23)

industry, and it is their activity that keeps the tree alive and growing as in nature, the root system support the tree. The nine golden rules of the club are depicted by nine major root formations representing the nine ethical aims of the club.

The presentation was made by Auckland President, Mr. Ross Molony on behalf of the Club, to Dame Catherine Tizard, Mayor of Auckland City, and is expected to be on display in the new Aotea Square, currently under construction.

The sculpture was on display during the Convention, and with the use of spotlights, made a very spectacular and effective backdrop for the convention, drawing some very favourable comment, including the remark that its true home should be the Hoo-Hoo Museum, Gurdon, Arkansas, as it possibly is the best representation of the Hoo-Hoo movement anywhere in the world.

MANJIMUP 250

One of the major projects the Manjimup Hoo-Hoo club has undertaken this year is to "keep the bastards honest." We have established the Industry Response Committee. This group is to comment on, or correct any statements about the Timber Industry.

One of the members of this committee tracked down some local areas that have been proposed for listing on the National Estate. The preservationists hoped these proposals would pass through the system quietly, however, the committee has made sure this is not the

Although the response from the media is disappointing, we believe we must continue to correct mistakes.

Hopefully reporters will question statements that unfairly criticise the Timber Industry, before putting it to the

AND SPEAKING OF CRICKET

Club 214 recently lowered the reputation of the gentle English game of cricket at its annual Secretary's versus President's eleven match held at Royal Yahl. Mt. Gambier on March 8th.

Scores were disputed but one report of 98 to 103 suggested the secretaries eleven had won. The game was played to indoor rules in a howling gale. Both captains played in totally forgetable fashion. A lady player was hit in the ... protector. The drinks break took on a totally new meaning around the sacrificial barbecue. And one silly fellow even managed to dismiss the Gurdon twice!

FUND RAISING DINNER BIG SUCCESS AT VANCOUVER NO. 48

The annual Fund Raising Dinner for Vancouver Hoo-Hoo club No. 48 was held May 4, 1987 at the Terminal City Club in Vancouver. 350 tickets were sold for the event which always features the ever-popular Reverse Draw.

The tickets were sold at \$100 apiece and included an open bar and terrific dinner.

The first name out the barrel got \$1,000 as drawn by Snark Jack Jacobson, and every 50th name out received \$100. The last name in the barrel got the big prize of \$5,000.

Last 5 names in the barrel were Bob Sitter, Kerrisdale Lumber No. 1, Rick Mackie, Chuck Smith and Neil Reynolds. Rick Mackie was the last name in, but a split had been decided on so there was more than one happy person!

Robbie Thurston did a great job of calling the names as they were drawn, and also Bob Fladgate, whose dad did such a great job for many years. Dave Fladgate was an avid Hoo-Hoo member and will be remembered by hundreds of Hoo-Hoo members.

Program Chairman Ted Hill did a tremendous job, as did committee members Bob Fladgate, Mark Perry, Bern Daye and Robbie Thurston.

REPORT FROM VICTORIA HOO-HOO CLUB

The Victoria Club held its annual "Ladies Las Vegas Night" on April 4, 1987 at the Queen Victoria Inn. We were privileged to have Snark Jack Jacobson, his wife, Norma, past Snark Al Meier and his wife, Georgia, and Deputy Supreme Nine Bruce Woodrow and his wife in attendance. We all had a super time with a great dinner, ladies reverse draw, games of chance and great fellowship.

SAN DIEGO CLUB #3

The club remains active on all fronts
— social and cultural ... emphasis on the
social. In early May, we bought a sky
box at San Diego Stadium to watch the

baseball might guess, they lost, but forty members of our club had a great time with great seats, great food, and an open bar — what a way to go to a ball game!

On May 19th, our club co-sponsored the awards given by the San Diego Lumber and Wood Products Association for architectural skill in design by junior college students. This is a yearly competition and fifty-four designs were (Continued on Next Page)

submitted for the 21st Annual contest here in San Diego. The students averaged 50 hours per project and those projects submitted were outstanding. A jury of local architects judged the entries and the winners were presented monetary and scholarship awards for their efforts. Our President, Al Martin, presented one of the awards and was joined by G.T. Frost, Oberline Evenson and Carl Poyner in presenting the remaining prizes. Our club will continue to support this worthwhile activity!

We had a total of 26 players brave the hottest day on record for May 8 attend our Sports Day.

SAN JOAQUIN VALLEY 31 SPONSORS CHESTER G. HARSHNER, JR. MEMORIAL SCHOLARSHIP

In memory of the late Chester G. Harshner, Jr., Hoo-Hoo Club No. 31 has established a Memorial Scholarship fund. This scholarship is available to any person who meets the qualifications listed below, who is sponsored by a member in good standing of Hoo-Hoo Club No. 31. It is no longer necessary to be a relative of an employee of the lumber industry.

The applicant msut have completed at least one year of college, junior college, or an approved technical or trade school. The amounts of the scholarships to be awarded in the Fall of 1987 will be determined by the trustees, depending on the number of applicants and other factors. The scholarships may be used to defray expenses of attending any university, college, junior college or trade or technical school the applicant desires.

Applications may be obtained from Hoo-Hoo Club No. 31, P.O. Box 11428, Fresno, CA 93773. The deadline for filing applications will be August 1, 1987. The applicants will be notified of the date and place for a personal interview.

The trustees will make their selection of the successful applicants prior to August 31, 1987, and the awards will be granted at the beginning of the school term.

REPORT FROM INLAND EMPIRE 117

With a force of 24 golfers we started off our March 19th meeting of the Inland Empire Hoo-Hoo #117 with a bang, followed by a great turn-out for our past president's roast. 56 for dinner. Thanks everyone for attending. The course showed no mercy for Jack Butlers spectacular 122 high gross. Steve Shudoma

managed to finish with low net and Chip Roepke completed the course with his excellent round of 78 for low gross.

After a delicious dinner, Kent Bond held the annual raffle drawings with the following being the winners:

> Don Gregson Mike Logsdon Larry Holguin Mark Smith Wayne Johnson

Last but certainly not least, Dwight Hayes, Jim Julian and Steve Gabert roasted past president Nelson "the Nose" Semback for "what must have seemed like hours to Nelson" actually one hour. Nelson was on the hot seat for some friendly kidding and well natured digs. Thanks Nelson for being such a good sport and congratulations on being the first president to be roasted.

EAST TEXAS HOO HOO CLUB #135 LAUNCHES SCHOLARSHIP

The June meeting of the East Texas Hoo Hoo Club was held on beautiful Lake Sam Rayburn Reservoir in Nacogdoches County. Fourteen club members and guests were treated to a two-hour boat cruise on the lake aboard the 30-foot plus floating classroom of the Piney Woods Conservation Center Educational Workshop of Stephen F. Austin State University.

The water trip was arranged by Dr. Kent Adair, dean of the School of Forestry at SFASU, as an ideal setting for the presentation of the East Texas Hoo Hoo Club's \$500 educational scholarship to the School of Forestry.

Members raised funds for the scholarship with a raffle for a RCA video recorder during the Texas Forest Festival in May. Ken Johnson #85911 of Lufkin won the recorder. Gary Bridges #92610 of Diboll coordinated the raffle and held proceeds. Club President

HOO-HOO BAND — The Hoo-Hoo Band of Lufkin, Texas recently won the Texas Forest Festival Cook-Off Showmanship Award. Band members are (1-r) Agnes Smith, flute; Karen Mitchell, bass clarinet; John Cavanaugh, coronet; Carl Wallace, sousaphone; Scott Cameron, trombone; Kenneth Henderson, trombone; and, Glenn Miller (yes, that's right), conductor. A HEARTY HOO-HOO HOWL FOR THE BAND!

George Murphy #89880 of Camden presented the check to Dr. Adair, who invited the members to return next year for another aquatic outing and scholarship presentation.

The Texas Forest Festival was another opportunity for the East Texas

Hoo Hoo Club to promote forestry and forest products. For the second year, the club competed in the Southern Hushpuppy Olympics, one of the four-day festival's activities. Last year George Murphy took the forestry division (Continued on Next Page)

honors as Best Hushpuppy Cook in Texas.

This year's golden fried Hoo Hoo hushpuppies, cooked by club members Robert Williams #92617 of Diboll and Ken Johnson, placed second. The corn meal delicacies were edged out by the team of Bill Wall and Bob Lacher from International Paper Company's office in Center, Texas.

Six other teams from every part of the forest industry in Texas participated. They included the Texas Forestry Museum, Texas Forest Service, Texas Forestry Association, Champion International Corporation, Temple-Eastex Incorporated and the Consulting Foresters of Texas.

A special attraction for the forestry division cook-off was the appearance of several members of the Hoo Hoo Band,

decked out in dark blue shirts. They entertained contestants during the cooking event by playing a selection of marches, waltzes and popular favorites.

For their excellent musical contribution to the event, the Hoo Hoo band won the Southern Hushpuppy Olympics Forestry Division Showmanship Award. Band leader Glenn Miller #92616, no relation, accepted the award on behalf of the band.

EAST TEXAS 135 SPONSORS GOLF TOURNEY

On April 21, 1987 East Texas Chapter 135 held its First Annual Golf Tournament at the Lufkin Country Club in Lufkin, Texas. There were 43 golfers in attendance.

Most golfers were local. However, we had Solly McGlovkin — Houston, Gary Peavy — Breckenridge, Eddie Hunt — Dallas, and Tom Lynn — Mansfield also attending.

The tournament was scored on the Callaway Handicap system. Trophies went to Doyle Chandler — First, John Kennedy — Second, Ray Skinner — Third, and Gip Freisen — Fourth. Worst golfer honors went to Ron Strickland — Spring, Tx.

This was the first effort of this type for the East Texas Chapter. Everything went smoothly and the second annual will be bigger and better. It is tentatively scheduled for April of next year.

All proceeds go to support the Hoo Hoo Band of Lufkin, Tx., the Texas Forestry Museum and a scholarship fund at Stephen F. Austin State University Forestry School.

To all the golfers who supported our

effort — Thanks and a tip-of-the-hat! See you all at next years tournament.

REPORT FROM WICHITA 173

Wow!!! What a night!!! Food! Fun & prizes!!! And what a good turnout! There seemed to be plenty of feed and drink for all. And some losers along with some winners. But thanks to all who attended the Casino Night in February and got to meet the Snark. Steve Hayes presented the Snark with quite a memorable plaque representing Kansas. In reciprocation the Snark donated a Hoo Hoo belt with buckle, that was purchased by Bob McQuiston at the gift auction after the games.

In April we were treated to an inside look at WSU basketball by Rick Calla-

han, men's asst. coach. Thank you very much Rick. There was a motion and second that carried a majority vote to change our meeting place to G & G Catering and look into other possible meeting places. To be honest members, the more attendance we have the more possibilities we have. Let's all support our club with more attendance!!

Speaking of support. It's time to start planning for our auction. We'll need everyone's help on this, so start thinking of what time and materials you can give this year. Thank you!!

Our May meeting was not only informative and enriching, but very interesting as well. Master Sergeant Bill Badstibner from McConnell Air Force Base educated and entertained us with the ins and outs of the B1B. Thank you Bill! We all came away quite enlightened.

BROUGHTON NAMED "LUMBERMAN OF THE YEAR" AT TWIN CITIES **CLUB 12 BANQUET**

John H. Broughton, President of Krueger-Broughton Lumber Company in Minneapolis was selected as Minnesota Lumberman of the Year at the annual award banquet held March 31 at the Minneapolis Golf Club.

Broughton was chosen by former recipients of the award. A humourous slide show by Steve Weeks and Tom Scanlan lead up to the presentation. Colleagues Joe Lonsky and Ray Erlichmann told how they could set their watches by John's routine, and paid compliments to John who has represented the industry "as a gentleman" for more than 38 years.

A plaque in the shape of Minnesota was presented to John. His wife, Jean, received a bouquet of red roses. They have been married for fifty years. John has been active in the Minnesota Hoo-Hoo, civic and church activities. John, who is age 74, has the same enthusiasm as when he started selling at the age of

Former Snark Bob Gallagher Dead at Age 61

Hoo-Hoo International was saddened to learn recently of the death of former Snark of the Universe Robert E. Gallagher L-52499 of Albuquerque, New Mexico. The family of Brother Gallagher reports he died May 18, 1987 of cardiac arrest.

Brother Gallagher, Rameses 51, will be remembered as the youngest Snark in Hoo-Hoo history having taken office at age 32. He served as Snark during the 1958-59 Hoo-Hoo

The October 29, 1958 Log & Tally had this to say about his election to the office of Snark: "This vote is evidence of the recognition by the membership of his sterling character and his accomplishments both in business and in Hoo-Hoo. The Order may well look forward to a big year under his leadership, guidance and direction.

When asked to comment about his family, Bob wrote, "I have a wife, Virginia, and three boys, Bobby, 8; Jimmy, 4; and David, six months. I live in Albuquerque, a six iron shot from the Country Club. Besides golf, at which I am 'terrible', I enjoy fishing in the nearby mountains, where I always take a six pack and sometimes a fish hook."

No doubt, Bob will be greatly missed by his family and friends. All of Hoo-Hoo mourns his passing, and our deepest sympathy goes out to the Gallagher family for the loss of this

WIFE OF FORMER CLUB 115 PRESIDENT PASSES AWAY

NOMINATION FOR INTERNATIONAL SECRETARY/TREASURER

San Joaquin Valley Hoo-Hoo Club #31 takes great pleasure in nominating Bernie Barber, Jr. for the position of Hoo-Hoo International Secretary/Treasurer.

We believe he has done an outstanding job in this position. He has held the job during the difficult transition from Boston to Gurdon, and supervised two executive secretaries. He has also been very active in the Hoo-Hoo Museum, and all the affairs of Hoo-Hoo International.

We believe his experience in this job qualifies him to be reelected for another term.

Sincerely and fraternally,

San Joaquin Valley Hoo-Hoo Club #31. Bill Barr 87304 President

NOMINATION FOR INTERNATIONAL SECRETARY/TREASURER

Ten years ago, Laurn R. Champ L75820 was elected Snark of the Universe. Prior to that time he was preparing for that enormous responsibility by serving Hoo-Hoo in many, many capacities; i.e., various committees and offices including President of his local club in Wichita, State Deputy Snark for Kansas, Supreme Nine Representative for Jurisdiction VII, and International Vice President (1st and 2nd).

Since then. Rameses 70 has continued giving of himself in service to Hoo-Hoo starting of course as Chairman of the Board. Throughout each of those years and at the annual conventions, he diligently has served with distinction on the committees that do so much of the work of our great fraternity.

In March, 1986, he did an outstanding job of conceiving, planning and delivering a package of activities for over one hundred members and their guests attending the Dedication Ceremony of the Hoo-Hoo Museum in Gurdon. So professional was his approach to that challenge, that the Board of Directors of Hoo-Hoo International asked him to do it again. Accordingly, he is currently serving Hoo-Hoo as the Chairman of the Hoo-Hoo Centennial (1992).

Laurn is a Regional Manager for the Mid-American Lumbermens Association. (It was at their convention in 1891 that Boling Arthur Johnson first coined the words, "Hoo-Hoo.") In that capacity, he has been able to provide leadership in the promotion of Hoo-Hoo and the reorganization of at least two

As a continuously active member at all levels within our great fraternity, Laurn repeatedly has demonstrated his dedication to Hoo-Hoo, his concern for his fellow man, his willingness to go that extra mile and his desire to help others succeed in their endeavors. I am confident that his many friends thorughout the world of Hoo-Hoo will join me in supporting Laurn R. Champ L75820, Rameses 70, in his quest for the office of Secretary/Treasurer of Hoo-Hoo International. I hereby submit his name in nomination for that office.

Respectfully and fraternally,

David Marteney, L65075 Rameses 67

NOMINATION FOR SECOND INTERNATIONAL VICE PRESIDENT

Sioux Valley Club #118 is honored to nominate Lyle Hoeck #77159 for the position of 2nd Vice President of Hoo Hoo International.

Lyle has been a credit to the Forest Products Industry and is concerned about its future. Since joining Hoo Hoo in 1967, Lyle has been a very active member in our club. He has served on our Board of Directors for a number of years. Lyle has also served as Vice President and President of our club. Lyle currently serves as Supreme 9 member of Jurisdiction VIII. He has held this position for the past 3 years and has done a fine job.

Lyle and his wife Marian have done much to promote Hoo Hoo through their travels to the clubs in this jurisdiction and with their dedicated attendance at many International Conventions.

Lyle's record shows that he will do an excellent job as 2nd Vice President of Hoo Hoo International, Lyle is committed to the betterment of the Forest Products Industry and what better way would there be to show that committment than to elect him to the office of 2nd Vice President.

We know that Lyle can and will do an excellent job. Fraternally.

Bruce Braaten, #88523 Sec./Treas., Sioux Valley Club #118

NOMINATION FOR S-9, J-VII

On behalf of Houston Club #23, I would like to place the name of Bill Franks #84101 in nomination for Supreme Nine member from Jurisdiction Seven.

Bill is dedicated to Hoo Hoo and besides serving the offices of Sec./Treas., Vice President, and President, he has served as Board Member several times. He has also been in attendance at a number of International Conventions. Bill served as President of Club #23 when we hosted the convention in Houston in

He has indicated a willingness to serve in this office and I am sure he will do a good job.

Fraternally yours, Leonard Craig #58373

MEDIA AWARD

CLUBS CAN NOW COMPETE FOR THE JACK CHESHIRE MEDIA AWARD

service to Hoo-Hoo . . . all the while living every day by our Nine Points of the Code of Ethics. One such man was the late JACK CHESHIRE Rameses 64 from Albequerque, New Mexico. And in honor of his continuous love, devotion and hard work for our order the International Board of Directors has established an award for clubs that follow in his footsteps of continually and persistantly promoting Hoo-Hoo.

The award is called the JACK CHESHIRE MEDIA

This award is presented at each annual convention to the club that does the most to use local media to promote Hoo-Hoo on the local level and internationally. This includes coverage by newspapers, television and/or radio stations, and magazines.

A large plaque bearing the names of the JACK CHESHIRE MEDIA AWARD recipients is maintained in the Hoo-Hoo Museum in Gurdon, but each winning club is awarded a separate plaque to carry back to their clubs.

The rules governing the JACK CHESHIRE MEDIA AWARD are as follows:

AWARD RULES

1. Intention: The intention of the award is to encourage and recognize media achievements of the clubs in Hoo-Hoo International. The award shall be for the best media efforts and achievements and recognizes the importance of Hoo-Hoo supporting itself and its sponsoring industry by the sensible use of this important vehicle.

DEAN A. DRAKE #57855

It is with great regret that we announce the passing of Dean Drake, one of the most ardent and long standing supporters of this association and of the state's lumber industry. He passed away Tuesday, March 27th following a lingering illness. He was 69 years of age.

His life long career in the lumber business began in 1936 whereupn graduation from high school, he managed a one man lumber yard for the A.C. Houston Company in Beaver, Kansas. He was subsequently transferred to operations in Alma, Oklahoma and Boise, Idaho where he had regional audition and inventory responsibilities for twenty two yards. Prior to a war time stint with the U.S. Army, he held management positions for Houston in

their Reno and Las Vegas, Nevada facilities. Returning to the lumber business, he rose to chief accountant and manager of retail yard operations for the Ellensburg Lumber Company in Washington, a forerunner of the Boise Cascade Corporation. In 1950, he accepted a position with the O'Malley Companies commencing an association that was to last until his retirement in 1985. At O'Malleys, he rose from manager of the Tempe store to vice president and general manager of retail operations and member of the board of directors.

Mr. Drake served as an A.L.B.S.A. board member for twenty years including one year as president (1971-72). He also received the "Lumberman of the Decade" distinction in 1980 at the state convention. He was additionally instrumental in providing guidance to the National Lumber and Building Material Dealers Association to which he was a board member for nine years.

Dean Drake was a valued colleague and friend. The membership of the A.L.B.S.A. extends its deepest thoughts and sympathy to his wife and family.

Memorial contributions may be made to the American Cancer Society, Box 33187, Phoenix 85067.

HOO-HOO IN OATMAN? — This photo was submitted by Rameses 72 Jimmy Jones who said a friend took the picture in Oatman, Arizona on old Highway 66. The yard was owned by William James Lee 45720. It was a retail lumberyard and hardware store founded in 1934. Brother Lee joined Hoo-Hoo in 1940, and it is reasonable to assume the cat was added to the sign after that time. HHI records do not indicate a club ever being established at Oatman, and, in fact, we could not locate Oatman on any Arizona maps. Brother Lee was what you might call an enthusiastic member-at-large!
