LAST MONTH

The steak fry on the river was a success with 30 attending the event. The food was great with great big steaks, salads, dogs, libations and a special treat (sautéed onions and mushrooms). We finally auctioned off Ken Dunn's Caterpillar pulling an arch with logs. Jon Hawthorne submitted the winning bid.

There were plenty of raffle prizes awarded. Thanks to Denny for the set up, Bill, Merrill, and Andre for cooking the steaks, Steve Keller for fixing the mushrooms and onions, and Dick Miles for bringing the salads and plates and stuff.

It was another great evening. Our thanks to everyone who attended. Thanks to all who helped clean up.
